Stay Safe on the Roads

If any walkers or runners want a free fluorescent bib contact Fiona on 07813935996 or collect one when you are registering.

Adult and Youth Registration Starts on Saturday 11th February

Adult (£35) and Youth (free) membership is due next weekend and adult registration will take place in the hall after mass on Saturday at 6:30pm and on Sunday at 9:30am and 11:30am. Youth registration will only take place on Saturday night at 7:00pm and there will be a short, compulsory presentation on the policies and safeguards in place at the club.

Everyone is advised to add their mobile number and email address when registering as we use this information to send regular messages to various groups and teams throughout the year. If your details change during the year please advise a committee member of your new details. We would ask everyone attending to take a few minutes to complete a short club survey which will help us provide a better level of service to our members in 2012. Blood donation forms and free fluorescent bibs will also be available at the registration.

Youth Committee

The club is finalising details for the new Youth committee to allow our younger members to have a greater input in the running and management of the organisation.

The members will be able to feedback any issues or suggestions from underage teams, be part of future projects within the club and help with organising youth-related events.

If anyone is interested in being a part of the committee or wants more information, talk to Fiona Teague or Michael McNamee at the Youth Registration night.

Gaelic Life Ulster Club Footballer of the Year

Congratulations to Tyrone Ladies and Sperrin Óg star Eimear Teague who claimed the 2011 Gaelic Life Ulster Club Ladies Footballer of the Year award.

Eimear was presented with her award by Gaelic Life journalist Ciaran Woods, and Ulster Ladies President Hugh Devenney.

Northern Ireland Blood Transfusion Service

Anyone who donated blood at the recent session in Carrickmore will know how much demand there is on the Transfusion Service.

Following on from last year's appeal, we are asking anyone in the community who didn't register to donate blood to do so this month.

We need at least 100 donors in the community to justify the visit of a mobile unit to Greencastle and so far we only have 56 people registered.
